We are number one!

Friendship is reading a yearbook together. Lisa Kutters, Karen Kline, Tammy Higgins

Walk with me,
in sunshine and in shade.
The distance will pass swiftly,
taken in pleasurable stride.
Burdens will lighten,
the path will brighten,
when good friends are by our side.

And away we go . . . !!

What is a friend?

A friend is a person of great understanding

Who shares all our hopes and our schemes,

A companion who listens with infinite patience

To all of our plans and our dreams,

A true friend can make all our cares melt away

With the touch of a hand or a smile,

And with calm reassurance make everything brighter

And life always seems more worthwhile–

Yuck! Bill Donley, Joan Spratt.

A friend shares so many bright moments of laughter

At even the tiniest thing–

What memorable hours of light-hearted gladness

And pleasure this sharing can bring!

A friend is a cherished and precious possession

Who knows all our hopes and our fears,

And someone to treasure deep down in our hearts

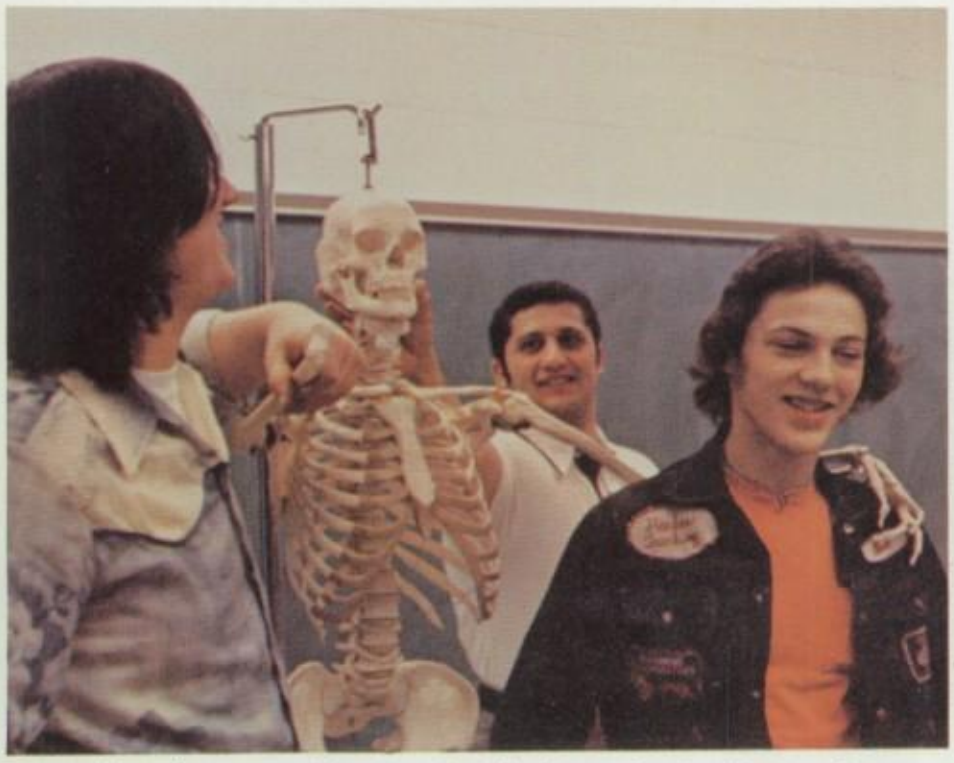
With a closeness that grows through the years!

Kathryn Davis

In Doing, We Learn.

A teacher is . . . a third parent . . . a studious martyr to mild enthusiasm . . . one who kindly sets a wanderer on his way . . . the one who can make hard things easy . . . one who makes two ideas grow where only one grew before . . . one who liberates American citizens to think apart, and to act together . . . one who knows how to suggest . . . guidance of our minds . . . one who defends his pupils against his own personal influences . . . one who in his youth, admired teachers.

Friendship plays a vital role in student-teacher relationships. Linda Lucas, Miss Ursu.



The neck bone's connected to the–shoulder bone; the shoulder bone's connected to the . . . Ray Giles, Mr. Colao, Bob Harker.

. . . a time to talk, a time to laugh.

Friendship is love. Tim Follet, Linda Bridge.

There is nothing in this whole world, Lord, like having one true friend. Just one true, enjoyable, understanding friend.

No one is ever so lonely that he doesn't have a friend. To find one, all you have to do is go out and help somebody.

Now and then say to a friend, "I love you." Those words weren't meant only for sweethearts. They are just as significant, beautiful and life-enhancing when said to a dear friend.

A true test of friendship: If you died, which of your friends would you trust to clean out your drawers?

When I talk, my friends listens. When my friend talks, I listen. That's one of the reasons we're friends.

Friends are like bracelet charms. If you truly love and enjoy your friends, they are a part of the golden circlet that makes life good.

If you want more friends, smile more! I've never known anyone who smiled a lot who didn't have a lot of friends.

Friends are too precious to lose—even when they disappoint us. Lord, help me to forgive this friend—if only because I need and love her. (And because I'd want her to forgive me!) Friends are worth forgiving.

The heart has many doors, of which friendship is but one. Don't be too quick to bolt them.

Life is made sweet because
of friends we have made,
And the things which
in common we share.
We want to live on,
not because of ourselves,
But because of
the people who care.
It's in giving and doing
for somebody else–
On that all life's splendor
depends,
And the joys of this life
When you've summed it all up
Are found in the
making of friends.

The Golf Team once again played "up-to-par" as they ended the year with an overall record of 8-3, and a section record of 8-1. This tied them for first place, which they lost in the play-offs with Beaver Falls.

Two players really shined by making the section qualifiers. Geno Wasilewski, a sophomore, did an outstanding job by scoring a 79, and Mark Marion, in his senior year, did equally well by scoring a 75. Also well worth mentioning are such players as Jim Vetica, Kirk Alfonso, and Brad Shinsky.

With so many "pro" golfers, the future of the Riverside golf team looks bright.

Led by Senior co-captains, Tim and Tom Tirlia, the Panthers rambled on to a season record of 10-9 and a section record of 6-6, which enabled them to capture third place in Section 17.

Riverside's first volleyball tournament

Up, up, and away.

Riverside's Phys. Ed. teachers offered a new and different program for their classes this year. With the co-ed gym classes, students for the first time participated in many new and varied activities. From this program sprung Riverside's first All-School Volleyball Tournament, where students competed within their own gym classes to qualify for the school semi-finals. From the semi-finals emerged the top two teams of the school led by Jeff Magargee and Dennis DiBiagio respectively. Jeff Magargee's team emerged as the school victor and successfully overcame the final challenge of the Phys. Ed. staff.

The boys entered the season with determination to capture a second MAC title. However, in the last and most exciting meet of the season, New Brighton's team shattered their hopes. They squeezed by the RHS team in the closing events of the meet, to leave us with second place in the section.

Even though the loss was a big letdown, the team spirit sprang back to continue the season in high gear, with hopes of a successful season next year.

"Somewhere over the Rainbow"

One picture is worth a thousand words. Doris Kohlman, prom queen; Gerianne Stiggi, crown bearer.

Stana Krilcich and Tom Hicks take time to pose.

And here is Tim Smuth, whoops, I mean Tom Smith.

The theme "Somewhere Over the Rainbow" was represented to a tee at the fifteenth annual Riverside prom. The gymnasium was hardly recognizable as it was turned into a wonderland of mushrooms, munchkins, and rainbows. Several outstanding features were an eight-foot balloon and a bandstand disguised as a castle. Co-chairmen Beth Fry and Mark Carbeau really did a terrific job and deserve the thanks of the junior and senior classes at R. H. S.

Plop! Plop! Fizz! Fizz! Oh what a relief it is!

She won't bite you little brother! Tom Preston, Deb Hairhoger, Lisa Kutters, Jim Preston.

Servers dressed as Munchkins– Denise DeAngelis.

Michelle Hawrylak and Shawn Gallagher were pages for the coronation.

The spotlight focused on Kathryn Leopardo and Rick Martucci.

Seniors

Seniors . . .

they've only just begun.

Our school girl and school boy days have come to a surprisingly fast end. We are now "grown ups" in a fast moving world. Our lives stretch out before us along with endless decisions and responsibilities. However, the friends and experiences we've shared throughout our high school days are memories that will remain with us forever.

The class of '77 especially, displayed the spirit and comradeship that makes Riverside a school of which to be proud. A part of all of us will always remain amid the halls of our alma mater.

Friendship is a chain of gold. . .
Shaped in God's all perfect mold. . .
Each link a smile, a laugh, a tear. . .
A grip of the hand, a word of cheer

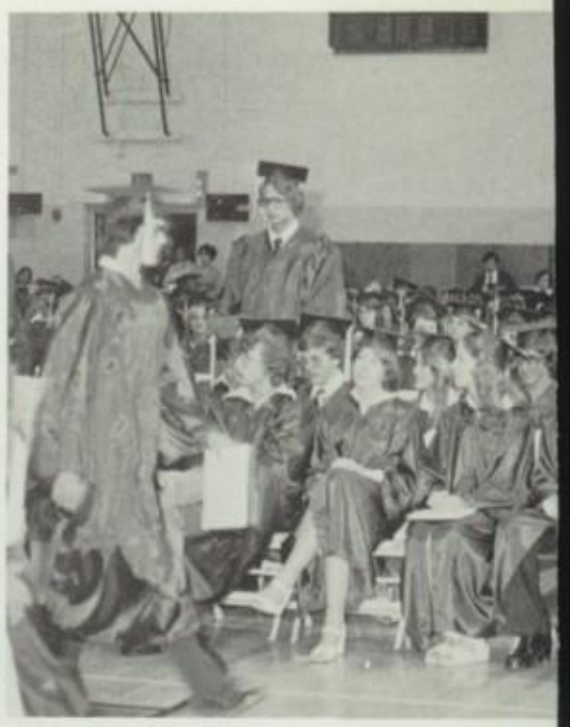
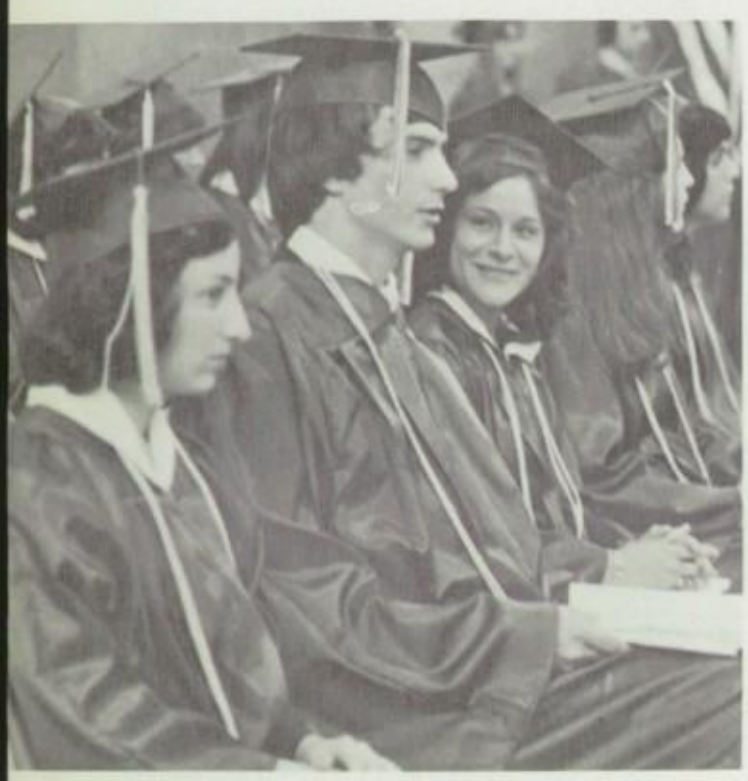
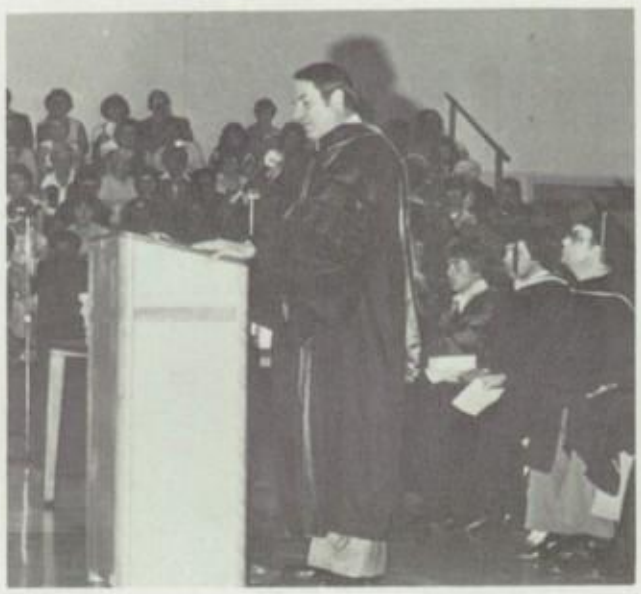
Though we leave,
we leave a part of us behind . . .







Those were the days my friends.
We thought they'd never end.
We'd sing and dance forever and a day.
We'd live the life we choose.
We'd fight and never loose.
For we were young and sure to have our way.

Those were the days my friends.
We thought they'd never end.
We'd sing and dance forever and a day.
We'd live the life we choose.
We'd fight and never loose.
Those were the days.
Oh yes, those were the days.
